

Dear Grocery Buyer,

Please stock your shelves with **Australis Barramundi, The Sustainable Seabass®!**

This delicious, nutritious and sustainably-raised barramundi is available in all regions and I would LOVE to be able to buy them from your store. They come as frozen 12 oz bags in two delicious options: All-Natural skinless fillets and Lemon Herb Butter coated fillets.

With gratitude from your loyal customer,

**Australis Barramundi**

## Making sustainable seafood ridiculously easy.

### No prep.

Boneless, skinless and ready-to-cook format. Reducing time and stress in the kitchen.

### No waste.

Ocean freshness that's flash frozen for convenience. Frozen is the new fresh.

### No worries.

First ocean-farmed fish to earn **Best Choice** by Monterey Bay Aquarium Seafood Watch®.
